Mike, a couple of changes.

- 1) The text in the red box isn't readable.
- 2) EPA's proposed cleanup plan should be dated 'June 2017'. This may change to July, so if you can make one graphic saying June 2017 and one saying July 2017, and send me both I can use whichever one ends up being accurate.
- 3) Final Decision should say 'end of 2017*')
